OVERCOMING APOSTASY & MAKING OF ENDTIME DISCIPLES

Part 24: Why GOD may REMOVE SPIRITUAL HEDGE From SAINTS

Psalms 80:12

Job 1:10

In Part 23 of this teaching previously we talked about how saints attract GOD's enmity and affliction in their lives.

GOD is good as long as long as He and you are in agreement.

Did you know that you can become GOD's enemy?

When you start doing things that act as obstacles to GOD you make yourself an enemy to GOD.

In the past years when GOD became my enemy , nothing in my life worked.

I came to church, gave offertories not realizing that this angered him the more. After giving offertories, I would receive beatings from the LORD.

Those of you who are members of this church, humble yourselves, fear a lot because the things I preach to you , a lot of them have been part of my experience.

- ✓ I have been a Christian who made mistakes.
- ✓ I have been a prophet who taunted GOD just like Jonah did.
- ✓ At some point, I even taunted GOD and told him, instead of me drinking poison, just kill me by yourself because I know if I drink poison I will go to hell. I thought he would finish me by himself.

That tells you to what extent I had reached . GOD dealt with me so much and I confirmed indeed that GOD can be cruel.

There is a side of GOD I want you to know. Recall Zipporah the wife of Moses had to appease GOD over her son Gershon. Didn't GOD respect Moses?

- GOD was killing the son of Moses , it was not the devil doing it.
- Moses had two sons that he sired with Zipporah his wife, remember this is Moses a prophet of GOD.

I see Pastors, Prophets and Singers say:

- ✓ I will not go to preach
- ✓ I will not sing

I have been a rebel not once , but many times. My advice to you - Rebel other things but don't rebel against GOD.

I have faced beatings from GOD and if you want to know why I have delayed in life, it's because of my past rebellion.

- ✓ I learnt something that GOD can be very cruel than the devil.
- ✓ You think Satan is bad, I dare you to make GOD angry and see what befalls you.
- ✓ I have seen GOD command rain that literally destroys until I had to admit that I was wrong.
- ✓ Beyond GOD becoming your enemy, GOD can take away the Spiritual Hedge that He has given you.

Some rebellion we see here:

Singer - Sings only when in moods.

Intercessor- Intercedes only when in moods.

Prophet- Prophecies only when in moods.

I have gone through experiences, in one of my experiences GOD lifted me up by my ears . GOD indeed is a consuming fire!

I know what it is to be:

- ✓ Sick
- ✓ Poor
- ✓ Suffering
- ✓ With bad luck
- ✓ Under GOD's wrath.

When you rebel against GOD

- ✓ Everything will work against you.
- ✓ He will afford you to know that He is your enemy.
- ✓ He will remove your Hedge
- ✓ You become exposed to various forms of demons / spirits

Only two persons have the power to destroy your Spiritual Hedge

1. GOD himself since He is the Author of the Spiritual Hedge.
2. You - remember, you have a mandate over your spiritual hedge.

GOD makes the Hedge and you maintain it. Satan has no power to destroy your Hedge.

The worst fool is he who compromises his hedge

Job 1:7

⁷ And the LORD said unto Satan, Whence comest thou? Then Satan answered the LORD, and said, From going to and fro in the earth, and from walking up and down in it.

Satan could not destroy Job's hedge because Job maintained it to a point that Satan himself become a witness of this .

- ✓ As long as Job had a proper relationship with GOD, his hedge remained intact.
- ✓ As long as Job maintained a holy relationship with GOD, his hedge remained intact.

Character of Job

1. Blameless.
2. Righteous.
3. Holy.
4. Upright.
5. Feared GOD.
6. Maintained sanctification.

Benefits of a Secure Hedge

1. GOD will not allow Satan to defile you as long as you are in good relationship with Him.
2. You don't have to worry about witches because the Hedge takes care of that .
3. Did you know that some of our family members even if they don't love us enjoy Spiritual Hedge over their lives because of our right standing with GOD.
4. Though they be wicked- being drunk , yet GOD affords them to be protected because of us since GOD respects covenant.

If you serve GOD be one that is pliable(bendable) at any given time.

Loss of Hedge on GOD's Servants:

- ✓ Job's hedge was removed , yet he had no sin.
- ✓ My hedge was removed yet I had sin.
- ✓ David's hedge was also removed and he really agonized.

Psalms 80:12

¹² Why hast thou then broken down her hedges, so that all they which pass by the way do pluck her?

Here GOD had removed the wall of Jerusalem.

Consequences of my Rebellion to GOD- My experience after losing Spiritual Hedge

- ✓ My shop was auctioned- I lost everything.
- ✓ I had a high yield farm on a 1/4 acre land and all was taken away from me. My family was kicked out of the land by policemen.
- ✓ I suffered many afflictions through sicknesses - Cholera, Diarrhea and Cold. I knew all manner of sicknesses and diseases. My entire house used to smell of sickness.
- ✓ I lost my chicken as someone jumped over my fence to steal.
- ✓ I lost Angelic Protection upon me and my family.
- ✓ I would go to a super market to buy maize meal only to find out that it was expired!
- ✓ My money was stolen.
- ✓ My children were kicked out of school.
- ✓ I lost friends.
- ✓ GOD made sure that I had no power to pay off my debts.
- ✓ My mother suffered because of my mistakes.
- ✓ My brothers have been afflicted and I know it was because of me.

Warning

- ✓ You servants that are called of GOD, do not bring your nonsense to GOD!
- ✓ Do not try to play with GOD - Otherwise you will be cutting short your years.
- ✓ When GOD has called you to serve do not get yourself into a lot of analysis.
- ✓ If you fall out of favor with GOD, it is doom! You lose your Hedge.
- ✓ You have friends as long as you are right with GOD.
- ✓ If GOD removes His Hedge from you, then you will truly suffer in life.
- ✓ You will lament just as Job when you lose your Spiritual Hedge (Job 19:8-26)

Do you see me preaching overtime, being in kesha overtime?

Remember there are mistakes I made and now i am redeeming them by employing Ephesians 5.

Do we have intercessors here ?

I am telling you practically that GOD is not desperate. He will replace you if you are not willing to serve.

- ✓ When GOD determines that He will beat you, you are better off being beaten by Satan!
- ✓ GOD will war against you and Satan will only come and observe at the fence in amazement,

When you accept GOD in installments: Ask yourself these questions:

1. When a pastor accepted GOD's calling, why didn't he immediately get a house?
2. When a pastor accepted GOD's calling, why didn't he immediately get money in his account?

Remember: GOD is waiting for you to redeem the time

Many times we come to serve GOD after having been:

1. Beaten
2. Battered
3. Weakened
4. Warped headed- kichwa iko na kasoro kidogo!

We bring ourselves to GOD as left overs! (bakshishi)

1. Little strength
2. Desperate
3. Hopeless
4. Little breath
5. Little brain

Why is it when you are strong you say "GOD wait first, let me expend my energy to the world".

By the time I was returning to GOD, I admitted to GOD that I truly had wronged Him.

I made losses big time!

Remember - You can cry in the Holy Ghost but you are still a rebel!

Rebellion does not stop you from speaking in tongues.

When you see us humble here, just know that we've been through a lot!

Sometimes I look at you making mistakes and I just laugh, sometimes I even keep quiet.

- ✓ My regret is that when I finally said "Yes" to GOD I had already made losses.
- ✓ I came to serve GOD when my goodwill was negative.
- ✓ If it is money, only little was left.
- ✓ If it is brains so much had already been spent outside in the world.

We preach this word without a need for profit.

- ✓ Whether there is offering or no offering, I preach the word of GOD.
- ✓ Whether I have some people who believe me and those that doubt me, I have never changed my message.

My Pain as a Servant of GOD

1. Some people disappoint me.
2. Some people hurt me.

Some people leave the wall without telling you- Yet when they wanted to join they said

" Apostle add me to the wall"

1. Why can't you seek for notice before you quit the wall? Shame!
2. You came joined our wall, we celebrated you , then you just leave!
3. Whom did you tell you are leaving ? Bad manners!
4. We formed these walls out of wisdom.
5. GOD will answer you by removing your spiritual cover!

Spiritual Mistakes

We do some spiritual mistakes till GOD says "**I am fed up!**"

By the time GOD removes your spiritual wall, it means you truly have tried Him .

How do you maintain your Hedge?

1. When you walk in Obedience.
2. When you walk in Holiness.
3. When you walk in Sanctification.
4. When you are accountable to a Spiritual authority.
5. When you are subject to a church and its ordinance and abide by the regulation of that Ecclesia.
6. When you honor GOD through the ministry entrusted to you and therefore found blameless.
7. When you walk in a manner pleasing unto GOD , not forfeiting the covenant of salvation - thus you are called righteous.
8. When you walk in reverential fear of GOD so much and say "GOD peradventure my children sinned when they were having a happy moment so I come before you with sacrifice" - do this just as Job did.

Examples of Rebellious acts to avoid.

1. GOD I am coming for duty, but let me first confirm with my mother, brother, sister to see if they agree. Also let me confirm with my Pastor Onyango if at all I heard GOD.

- ✓ While you are consulting or confirming, you will end up with something called paralysis.
- ✓ GOD will simply take off your spiritual Hedge as you continue to confirm.

Pastors, Prophets , Ministry workers - I am telling you, your service is unto GOD.

Do not serve because you think you are pleasing Onyango

What are you doing with your calling?

I want to put all servants of GOD on notice.

Do not attempt to get yourself into the trouble I got myself into trouble as a result of my past childish mistakes.

I made mistakes that I would hurt GOD and cause Him to change his mind. GOD does not change His mind.

Church

I preach to you this way because I was given one chance only.

Remember: **You are my assignment . That's why if you fall, I can literally curse you.**

How do I labour over your life:

1. Teaching you!
2. Praying over you day and night!
3. Sacrificing my sleep over you!
4. Get beatings, satanic arrows and stones because of you!

Then you dare to say :

" I am a bit moody today , so I cannot usher"

" I am a bit moody today , so I cannot intercede"

That is why I would rather have 100 disciples than 1,000 followers.

That is why I would rather have 1,000 disciples than 10,000 followers.

That is why I would rather have 10,000 disciples than 1,000,000 followers.

To be safe:

Agree with GOD on everything; Tell him " LORD as you will"

Please don't tell GOD , " LORD, I agree to your will but first let me check with my wife, if she is in agreement with me, then I will be convinced that you have spoken to her"

GOD does not tolerate foolishness

- ✓ Man- If GOD calls you, go convince your wife.
- ✓ Woman-If your man has been called , be sure to follow him.

The more you delay, GOD will remove the Hedge leaving you naked.

When you are at loggerheads with GOD , some people will suffer-That is the moment you realize that:

1. You are selfish
2. You think about yourself
3. You don't think of what befalls others

Disciples

As a disciple no matter what :

1. Never compromise your relationship with Jesus.
2. Never compromise your calling to serve GOD.
3. Remember that in life we suffer delays and failures because we provoke GOD to the point where he removes the Hedge.

Dangers of losing your Spiritual Hedge

1. You can literally find yourself marrying 2 or 3 wives!
2. If it is a woman, you can find yourself changing man after another!
3. If you had previously said that "I will not re-marry, you find yourself getting married!

Prophets

Those prophets here in church, hear me and hear me well.

Some preachings have grace and cannot be repeated.

Hold GOD tight because He says "If you will refuse to serve me, then I will make sure I will destroy you by the sword, I will finish you!"

Job 36:12-13

¹² But if they do not obey, They shall perish by the sword, And they shall die ¹without knowledge.

¹³ "But the hypocrites in heart store up wrath; They do not cry for help when He binds them.

Singers

Singers, I hope you are listening .

I serve at a cost and that's why i have never charged anybody for prayers offered.

I cannot joke with Ministry.

- ✓ I haven't told you how many times i got arrested in the past for simple mistakes that others were never caught for! I was caught like a criminal and taken to jail since i had no hedge.
- ✓ Please do not play or joke with Ministry!
- ✓ Some people see me preaching and think I never went to school. Be reminded that our acceptance to serve GOD has saved a lot of souls in our family.

You wonder why some people here talk against the Ministry and talk against the servant of GOD.

These are the same people who know if someone has a demon and when it leaves or not.

These are the same people who know when someone's fire is going off .

Ask them, with all their knowledge:

1. Why didn't they help themselves?
2. Why did they come here?

Pastors

The years left are very few therefore, accept your duty -no rest.

- ✓ I love you and truly hate losing people!
- ✓ I have invested in you!
- ✓ This word is my bread!
- ✓ I know the transactions that take place when we pray for you!

For this Ministry to reach this level:

1. I have fought giants!
2. I have fought devils!
3. I have fought powers!

We ask someone to serve but they are reluctant!

Watumishi/Servants of GOD

I beseech and plead with you :

Take the call of GOD seriously!

Respect people , but never compromise our fear of GOD.

Say anything you want to say, but never come to a place where you touch the anointed of GOD the wrong way!

Colossians 4:17

¹⁷ And say to Archippus, "Take heed to the ministry which you have received in the Lord, that you may fulfill it."

Let us please GOD. Most of us squandered our time- so redeem the time!

May the fear of GOD down on you seriously.

Ending in prayers.

Do not mistake our humility to be a weakness.
