OVERCOMING APOSTASY & MAKING OF ENDTIME DISCIPLES

PART 26 : RESTORATION OF SPIRITUAL HEDGE & ROLES ANGELS PLAY

Even though I had stated that part 25 was the final teaching in our series of Overcoming Apostasy & Making of Endtime disciples, the LORD has tasked me to provide you with more revelations, that is why we are doing Part 26 today.

Angels have a role in your Spiritual Hedging. When we afford a lot of revelations to you and you fail to be transformed based on teachings received, then remember you will face GOD's judgement .

That is why I have told GOD to remove me from this world if ever at any point He determines That I have gone astray such that I won't make it to Heaven.

I would rather go to Heaven and get a small blessing than miss it all. I am satisfied with what I have such that even if Jesus Christ comes tomorrow , I truly will be glad.

The longer we live on earth, the greater the temptation of backsliding resulting into Apostasy.

There are people who were so much filled with the Holy Spirit but now have fallen into so many traps.

May GOD grant you revelation and even though the revelation is limited, let it help your walk.

In Christ Jesus be victorious so you make Heaven.

Why have an abundance of revelations and miss Heaven?

It's possible to have so many visions and even be in Heaven, eat heavenly food yet on the last day , you miss Heaven.

I am preaching to you, so if you miss Heaven , its either:

- ✓ You are hard headed
- ✓ You are not GOD's seed.

Remember - Demons listen to sermons and so does Satan but they cannot repent.

There are times Satan has come to this Altar so I told GOD's angels to chase him out!

Sometimes he comes and sits.

Job 1:6-12

Did you see GOD chase Satan?

Satan did not convert even after being in GOD's presence.

Our Spiritual walls have GOD's angels put in charge so as to protect and watch over you.

Remember your Spiritual Hedge is not a mist, It's not air and it's not just fire.

The fire that burns around you, the light around you also has with it Angels of GOD . Praise GOD!

Since angels are a composition that make your Hedge , they will go wherever you go.

Psalms 91

Why am I teaching you about this Angelic protection?

1. So you don't abuse it
2. So you won't feel so lonely
3. So you don't become faithless

The LORD says, "Do not fear"

- ✓ GOD is so faithful and watches over me.
- ✓ Who pays salary to the Angels?
- ✓ Who gives lunch to the Angels?
- ✓ Did you think Angels don't eat?
- ✓ Angels have their food in Heaven

Has GOD ever charged you for the Angelic protection that He has bestowed upon you ?

Have you ever bought them lunch?

Psalms 78 shows us that the children of Israel ate Angel's food.

Angels food strengthen us.

Angels watch over you while you sleep , snoring , using the bathroom etc.

Elijah was fed Angel's food while fasting .

Psalm 91- Shows us the Angelic Hedge of protection that is offered unto us.

Psalm 91:2 Fortress=Hedge Psalm 91:4 His truth - Implies you can bank on GOD's truth.

Angelic Protection Upon my life

1. I have literally seen fire burn through my neighborhood and when it got to my home, it changed course so my home was not destroyed.

Some people called me a witch! I hope they repented!

2. It rained hail stones! Destroying people's maize but mine remained intact.

I exclaimed "Eh Nyasaye!"

3. We had thieves in the village that attacked, stealing everyone's possessions, but my valuables were untouched!

4. Once there were strong winds which flung the gate open breaking the padlock. On waking up, I found everything in my compound was intact! Praises to GOD!

5. Shops were broken into and plundered! Yet mine was untouched .

It is the desire of GOD to have angels watch over you in all your ways because you are born again.

Angels are so many times more than human beings , and that is why angels are all over!
May GOD give you understanding on this.

There are people who are watched over by 100 angels ;others have 2 angels while others have 1 angel.

The angels that are at my disposal are very many. There are servants of whom GOD has afforded them many angels.

Having been afforded many angels , the danger is that if on judgement day, you are thrown into the Lake of Fire.

- Those angels who watched over you will be very saddened!
- "How we served GOD to have you make Heaven then you dont make Heaven" is what the angels will think about .

Now that I have told you about the fire which the angels use to protect you- It is GOD that sends you these angels:

- ✓ You cannot call upon angels.
- ✓ Make sure your relationship with GOD is intact / Solid /Good.
- ✓ Make sure your covenant with GOD is intact /Solid /Good.

Having ensured your relationship with GOD is solid and intact, GOD Himself will do His part to watch over you .

GOD will provide Angels for you depending on:

- ✓ Your level of faith
- ✓ Your giving
- ✓ Your covenants
- ✓ Your Ministry
- ✓ Your Giftings
- ✓ Your Calling
- ✓ Your Destiny

There are various forms of angels that can be assigned

- ✓ Tall
- ✓ Short
- ✓ Fat
- ✓ Big

Angelic Protection at this Altar

1. While at this Church I see little children around me - There are those that massage my feet
 - Know that my standing for long hours without having to sit is supernatural
 - Sometimes i feel my body being massaged even while preaching.
2. That's why Eldoret witches got fed up with me. I would have dreams/ visions in which i could see them curse me and GOD told me don't pray. Later the witches died . They were dealt with – we call this Angelic protection.
3. If you have a covenant with GOD, witches should not harm you.
4. I have been hunted down by devil worshippers . Many high ranking devil worshippers are women , so these were sent to trap me, but the fire of GOD silenced them!

Giftings/ Talents/ Ministry

If it is by the design of GOD that your Ministry come with Angelic Hedging, then GOD cannot send you anywhere without protection.

Sometimes GOD opens our eyes regarding Angelic Ministration so our faith is strengthened and we be encouraged . It also reminds us that we are not alone.

Every angel is happy with their area of ministration Psalm 103:20

Angels operate in limited power and as such, they keep rank.

There are things which when we do, endanger our spiritual wall, therefore , note that you will need restoration :

- If you find yourself getting sick easily
- If you find yourself in many spiritual battles.

Remember , going through afflictions is a different phenomenon/ department.

Afflictions are part and parcel of our training , therefore today's teaching is not on Affliction.

Isaiah 30:20

²⁰ And though the Lord give you the bread of adversity, and the water of affliction, yet shall not thy teachers be removed into a corner any more, but thine eyes shall see thy teachers:

This is when the LORD deliberately will have you in the wilderness.

Why would you face afflictions ?

1. For the things you need to learn.
2. For ways you need to correct
3. For mistakes you need to repent of.

There are situations we find ourselves in depending on GOD's will and this has nothing to do with your spiritual Hedge.

We do not pray for you when you are under afflictions which GOD has permitted.

Instead of praying for you, we advise you to obey the LORD.

Psalms 34:19

¹⁹ Many are the afflictions of the righteous: but the LORD delivereth him out of them all.

Today we are addressing the issue where you as a believer endanger your spiritual Hedge.

You will maintain the Hedge by maintaining righteousness in your life.

Angels will depart from you when:

- ✓ Your ways are not righteous .
- ✓ You walk in sin and darkness.
- ✓ You don't walk in holiness
- ✓ You depart from a sanctified life(utakatifu)
- ✓ You don't walk in covenant with GOD
- ✓ Go to witches.
- ✓ Start playing sport pesa
- ✓ You steal GOD's tithe

Angels of GOD will remain with you on condition that you remain righteous.

John 1:5

⁵ And the light shineth in darkness; and the darkness comprehended it not.

John 1:5 is the problem we have now , some Christians no longer see Christ Jesus.

John 1:8

⁸ He was not that Light, but was sent to bear witness of that Light.

If it gets to a point where you love darkness and the acts of darkness , then your spiritual wall is endangered.

Angels of GOD do not like acts of darkness – they will leave you .

GOD does not like acts of sinning so He will remove His protection from you.

When you see your wall broken , it implies angels of protection have departed.

Caution

Do not steal GOD's tithe- I tell you out of experience having listened to false theology from Harrison Ng'ang'a who taught that if you eat GOD's tithe, you can pay 20 % .

- Having stolen GOD's tithe, I suffered for 3 years in which GOD made sure that I lost the Hedge.
- When GOD removes the Hedge you lose Angelic protection

-Your cows , chicken and dogs will not be healed .

-Your shamba dies!

Angels are GOD's Ambassadors , we too are GOD's Ambassadors.

GOD even warns not to pray for certain people.

When GOD removes His Hedge you are exposed.

- You get angelic slaps since you are a covenant breaker, a backslider a cheat. You are a whore.

Beware of Altars you go to:

There are Altars with GOD's angels and at the same time, there are altars with angels of darkness.

There are Altars with GOD's presence and at the same time, there are altars with Satan's presence.

Which Altar did you enter?

I have some strange deliverances ! In one case someone confessed that they has slept on the bed, only to find themselves naked under the bed!!

GOD is very patient and it is always as a last resort that He orders His angels to leave you for the reason below as examples:

1. Eating tithes
2. Abandoning church
3. Abandoning Ministry
4. Sleep on your talents

You who finds yourself being strangulated while sleeping -know that its bad manners to get strangulated yet you are born again.

You become a great loser if after being born again , enjoyed angelic protection then you fall into sin.

Demons come into your life.

Angels no longer have authority to stay and watch over you as such you lose your angels.

You lose Spiritual weapons, the Word and Revelation.

Satan plunders your life so bad , he spoils everything in your life lest you repent and GOD restores your Hedge.

Satan comes and takes over your life causing havoc through different issues like

- ✓ Cancer
- ✓ Diabetes
- ✓ Poverty and afflictions
- ✓ Sexual demons

I have counselled so many people over the years, so be reminded that the things I tell you are not jokes

How many of you are confident when you go to bed ?

How many celebrate when they are going to sleep?

We see some people sleeping with lights on because they fear.

It is very bad if Satan can freely move into your home/boma. It simply implies that you have a legal ground for Satan to enter.

Christians who don't repent end up living in bondage.

You need restoration because you cannot march forward in this spiritual journey without a spiritual Hedge.

The theme of this Mountain of GOD convocation is Recovery plus restoration of Spiritual Hedge.

When you find yourself in situations where your life is plundered in the following areas, chances are that you may have an open door in your life:

- ✓ Marriage
- ✓ Health
- ✓ Employment
- ✓ Stars of your family
- ✓ Education of children
- ✓ Riches of family/ children

Jeremiah 8:22

Is there no balm in Gilead; is there no physician there? why then is not the health of the daughter of my people recovered?

This convocation, you need to recover:

There are those that are sick.

There are those that partook of the Holy Communion in an unholy manner

There are Oyoyo Christians here - these are those that don't pay the price of being a Christian.

It is the will of GOD that you be here at this convocation- but first things first.

You did things that endangered your spiritual wall through:

- ✓ Gossips
- ✓ Not obeying GOD's commandments
- ✓ Not abiding in the Word.

My prayer for those of you who come to this Mountain is that you believe GOD for one challenge to end.

If you are to face another challenge, let it come next month , but you cannot be coming to the Mountain for the same problem.

Praise GOD if you came for anointing .

Now, when addressing recovery of what has been lost, we have those of you that gossiped and as such you invited demons into their lives:

- ✓ You lost anointing.
- ✓ You lost your wall.

It's better you lose money but not anointing . Now I am obligated to pray for people who have :

- ✓ Spiritual Malaria
- ✓ Spiritual Fever

You need your Spiritual Hedge restored so Satan will not penetrate .

There is a mystery about baptism in which you get an identity.

Those that are not baptized, devils and dark spirits fight over you .

There will be a fresh identity upon you once you get baptized.

Ending in prayers
