2024:Dominating with MANIFESTATIONS IN HIGHER REALMS

Series: RAISING THE BANNER

Day 2 of MOUNTAIN OF GOD CONVOCATION 10th EDITION

Part 4: LEADERSHIP & MINISTRY MENTORSHIP PROGRAM-HEDGING GIFTS & QUEST FOR FRUITFULNESS

Preacher: Apst-Prophet of GOD Onyango M'Ochieng

Date: Oct 10th 2024

We have ministers that make a lot of mistakes and when we see you make all these mistakes, it is because also you don't have mentorship or training. Therefore you are a wild minister.

Ministry should be respected .

- ✓ Are you a pastor who will receive tithe or offering on the road and will you gladly take it?
- ✓ Those are principles that we don't do and you see that so many Christians don't have head or eyes because they are led by people who don't have a head or eyes.
- ✓ That's why you find pastors that have their own set of rules that are not biblical and you try to run a church.
- ✓ You will run a church in which people are not straight in the manner of understanding.

If there are people who fail exams in Ministry it is prophets and pastors.

They have been my greatest let down and some of you know my disappointment.

- ✓ Some of you don't realize that we keep some of the members in their quarters so as to prevent them from getting tempted out there.
- ✓ There are people that can easily fall into sin so we try to mold them.
- ✓ We have cases in which we take care of prophetesses but once they get a man they will remove the garment of the prophet, the shoes and they leave.
- ✓ And you wonder why can't they just get married as a ministry worker.
- ✓ We have helped some people and they have never returned to be of use to ministry.

Let me tell you, if GOD called you and gave you a gift and a talent please make use of it.

If I teach you to be a pastor and you turn out to be like a monkey, then GOD that I serve will deal with you.

So I pray that we find ministry workers here Hallelujah.

- ✓ Look at how some of you are not truly aligned to GOD.
- ✓ You're partly dealing with the things of GOD and you are partly dealing with the things of the world.
- ✓ As long as you're on that road you'll find that GOD is GOD and you've wasted a lot of time.
- ✓ You love the money more than you love GOD- you cannot defeat me because I also loved money and I lost all my money.

Therefore, those of you who want to be in ministry to make money please try!

- ✓ You are here because you want to make a name as a pastor ok please try.
- ✓ So you're here to make some money out of your gifting as a prophet go ahead.
- ✓ You will realize that if you are taking that route you and GOD will get into a fight head on!
- ✓ I give you a caution if I teach as a pastor, please come out as a pastor.
- ✓ All these short cut behaviors please let go of them!

I ask that you trust me the road that I took in the past, I would not like for you to take it.

I pray that you will be able to receive what I carry and that is the spirit of Christ Jesus.

In my quest for money I would travel to South Sudan and the LORD Jesus Christ came as a brilliant light to me.

- ✓ I got a lot of dollars and a lot of light passed into my room and I was not able to see because everything became brilliant light.
- ✓ And the voice told me **"Onyango do you love me more than these things"** and of course I had dollars. And I said yes LORD – He said **"feed my sheep"**.

I found myself in the presence of GOD and he asked me again **"Onyango do you love me more than these things more than the business"** and I said LORD yes and he said **"feed my lamb."**

Then He asked me a third time and I cried and really cried He said **"Onyango do you love me?"** I said LORD I love you and I did not have any other words so I like cried many tears.

"Feed my sheep" that is what He told me. And when He was done I wrote down everything that I could remember.

I made a vow to the LORD that when I go back to Kenya I will close all the companies that I had.

I'm not sure if they were 4 but they were all struggling anyway. One of the saddest thing I remember is that one day in the morning I had a million shillings in my account and my wife called me to buy sugar 2 kilograms which cost around 200 shillings.

In the evening I didn't even have any money in my account meaning that i was working but my money was being used by other people.

When you enter in a path that GOD is not present then you'll find yourself struggling and making a lot of losses.

- ✓ therefore I had to close all the companies then I had liquidated
- ✓ That is how I got into full-time ministry praise the LORD Jesus.
- ✓ I believe by now I have influenced millions of people and the books that I had intended to write may not have been able to influence such a great number of people.
- ✓ So I thank GOD that Satan who thought he had beaten me but I kicked him back real hard I give praise to GOD.

On the last day we shall give an account to the Most High GOD on whether we birthed any fruits in our ministry or not.

Every time I'm reminded of the last day I shed a lot of tears.

- ✓ you'll see me preaching here and you'll see a tough man but sometimes I ask myself Father GOD I may be preaching like this but if I miss Heaven I'm sure Satan will be able to really torture me.
- ✓ Know that indeed it is possible that you can preach just like this and yet you end up missing Heaven.
- ✓ If there's something I dread most it's missing Heaven.
- ✓ You can have visions of going to Heaven, drinking tea with Jesus, walking in Orchards of fruits but that doesn't mean you're going to Heaven you must prove yourself if you will make Heaven.

And that is where many people forget, that in the last day you will give an account of the years that GOD gave you and what you did with the years that He gave you.

Question:

1. What you did you do with the gift that you received?
2. What did you do with your talent?
3. what did you do with the calling that you were given?
4. what did you do with the ministry that you were given ?

Therefore I was taken to Hades and that was in 2009 and before I was taken there GOD told me "you will die" when He told me , it was in the month of April.

I was told you are dying this year and within my spirit I thought I would die in December therefore between April and December those were eight months in which I would sleep in a lot of fear.

- ✓ I would wake up completely sad I was disillusioned and I did not want to tell my wife because she was pregnant by then.
- ✓ In that state I was really struggling, my business was collapsing because I lost interest in it but I kept holding on to it.

I was asking GOD why have I gone wrong, please forgive me GOD.

I asked GOD what is my mistake? and He told me, " the mistake you have is that you refused ministry."

So I would walk and cry and I developed some form of ulcers and depression in the process.

You know when Satan tells you that you will die, you can simply tell him to be defeated in the name of Jesus! But when Jesus says "you will die "then what do you tell him?

When GOD himself tells you that "you will die and I'm the one who is killing you because you're useless you have no fruits" what will you do?

I used to walk crying a lot. That is where you see we as men hide such things from our wives.

- ✓ I didn't want her to know because had I told my wife she would have lost the baby because she was pregnant maybe she would have got high blood pressure or heart attack so I kept it to myself.
- ✓ I could not tell it to anybody not even a pastor because I didn't have one to tell.
- ✓ I knew it was GOD who told me therefore I stayed in that manner and in eight months.
- ✓ I became very thin I had no appetite for food.
- ✓ I had no need for living, I felt as though everything was turning against me.
- ✓ In December it actually happened just as the LORD had said, so to cut the Long story short I found myself in Hades.
- ✓ In Hades there was what I believe were the angels of the living GOD.
- ✓ There was so many graves that were endless.
- ✓ I stood there with the person who had taken me there, then I remember him telling me" this is where you're coming "and that Angel, he was not courteous to me I'm being honest.

I asked him why am I coming here? He told me “because you refused ministry and have so much revelation and you're not giving to people, you are useless”!

I don't know if I was given a chance to repent .

So shortly after that I found myself in Heaven but I wasn't taken to a place where there's so much glory and brilliance no!

But where I was taken was like a jungle everything was brown.

- ✓ I was assigned to an Angel who did not even smile.
- ✓ This other Angel that I found was dressed in brass gold he did not smile
- ✓ He's huge and he does not laugh , sometimes he's here during Kesha.
- ✓ Anytime I see him, I feel terrified.
- ✓ He's a very huge Angel.

In the jungle (Heaven) I was among animals, some of which were lions and they did not harm me.

I did not fear them, that is the boldness that was given unto me and I preach with that right now. There is a part of training that I received from Heaven.

I was given only one more chance to come back on earth and that is what I'm using right now to preach.

I thought you'd cry because every time I give that testimony I remember that day. Remembering that I was only given one chance and what was my mistake?

- ✓ Because of not wanting to be fully used by GOD in the ministry just the way some of you are.
- ✓ I took that one chance and that is what I'm using right now.
- ✓ Therefore if it's being rebellious against GOD yes I've been rebellious and I escaped death because GOD truly had mercy on me.

Therefore angels weigh me, how I am walking and they check how many people are being trained.

They write down your names all of you and the ones that will pass and those that will fail the class too bad.

On the last day we shall be asked:

1. The money that you are given what did you do with it?
2. The gift that you were given what did you do with it?
3. The health that you were given what did you do with it?
4. The life that you were given what did you do with it?
5. In other words where are your fruits.

I am talking about fruitfulness.

Therefore do not think I'm only talking to pastors I'm talking to everybody

You'll all be asked:

1. where are your fruits?
2. where is your fruitfulness?

I'm telling you stop your foolishness, your every spiritual mistake that you make will make you miss Heaven.

Today in ministry there are teachings that I want us to look at one of them is Ezekiel chapter 34. It talks about those prophets that spoil for others. They spoil their chances of making it to Heaven.

- ✓ You prophets who interfere with ministry.
- ✓ You pastors who interfere with ministry.
- ✓ You who led the sheep astray.
- ✓ You pastors who don't let others perform well within their ministry.
- ✓ You people who interfere with other people's giftings.
- ✓ What does the Bible say about these people?

Ezekiel 34: 1-10

¹ And the word of the LORD came unto me, saying,

² Son of man, prophesy against the shepherds of Israel, prophesy, and say unto them, Thus saith the LORD GOD unto the shepherds; Woe be to the shepherds of Israel that do feed themselves! should not the shepherds feed the flocks?

³ Ye eat the fat, and ye clothe you with the wool, ye kill them that are fed: but ye feed not the flock.

⁴ The diseased have ye not strengthened, neither have ye healed that which was sick, neither have ye bound up that which was broken, neither have ye brought again that which was driven away, neither have ye sought that which was lost; but with force and with cruelty have ye ruled them.

⁵ And they were scattered, because there is no shepherd: and they became meat to all the beasts of the field, when they were scattered.

⁶ My sheep wandered through all the mountains, and upon every high hill: yea, my flock was scattered upon all the face of the earth, and none did search or seek after them.

⁷ Therefore, ye shepherds, hear the word of the LORD;

⁸ As I live, saith the LORD GOD, surely because my flock became a prey, and my flock became meat to every beast of the field, because there was no shepherd, neither did my shepherds search for my flock, but the shepherds fed themselves, and fed not my flock;

⁹ Therefore, O ye shepherds, hear the word of the LORD;

¹⁰ Thus saith the LORD GOD; Behold, I am against the shepherds; and I will require my flock at their hand, and cause them to cease from feeding the flock; neither shall the shepherds feed themselves anymore; for I will deliver my flock from their mouth, that they may not be meat for them.

You can read the rest of the chapter on your own. What do we find here?

We find that GOD loves sheep and He gets very angry when those who have been entrusted to feed the sheep forget about their responsibilities.

If you want to work with Jesus and if you want to be loved of GOD then you need to love what GOD loves.

GOD himself loved people that he gave his only begotten son Jesus himself loved people that he accepted down the cross therefore we see that Jesus loves the sheep and he says this in

John 4:34. Jesus says

³⁴ Jesus saith unto them, My meat is to do the will of him that sent me, and to finish his work.

Therefore the will of the Father is that Jesus will feed the flock and that Jesus will save souls Hallelujah.

If you will indeed want to be a friend of GOD and to work with the presence of GOD better love what GOD loves, then you will walk with him.

The Bible reveals to us that those shepherds having been entrusted ministry you are given sheep

Instead of you taking care of the sheep:

- ✓ you are scattering them
- ✓ You are chasing them
- ✓ You are beating them
- ✓ You are disturbing them
- ✓ You are making them cry
- ✓ in other words you make them not come out as Christ Jesus.
- ✓ instead they come out as the enemy Satan.

Therefore, there is judgment against such shepherds.

I've tried to pray for pastors that GOD has been disciplining and prophets that GOD has been disciplining.

There was a time I missed one service because of pride and this is the kind of mindset I had I said” well, let them see if they'll see a vision now that I'm not going to church”, so I missed that Sunday service.

- ✓ It was the month of June just one Sunday service and GOD disciplined me for the next three years.
- ✓ When GOD loves you and has entrusted you with giftings and you have a lot of potential due to your calling just one mistake can cause you to receive a lot of beatings from him.
- ✓ And I told GOD just one Sunday but now I know why I was beaten so much because there was a lot of destinies that were entrusted unto me therefore I can never miss a service.

Now look at some of you how you can easily miss a service so the mistake that I made caused me to receive a lot of beatings from GOD.

There are ways in which GOD will return to you therefore if you've been entrusted with ministry and you mess up in your ministry remember judgment is waiting for you.

Some of the scriptures that will help you are the following:

Luke 13:6-9

⁶ He spake also this parable; A certain man had a fig tree planted in his vineyard; and he came and sought fruit thereon, and found none.

⁷ Then said he unto the dresser of his vineyard, Behold, these three years I come seeking fruit on this fig tree, and find none: cut it down; why cumbereth it the ground?

⁸ And he answering said unto him, LORD, let it alone this year also, till I shall dig about it, and dung it:

⁹ And if it bear fruit, well: and if not, then after that thou shalt cut it down.

Read :

Luke 13:6-9

Luke 13:20-30

Luke 12:37-48

Luke 6:40-49

Any minister that was entrusted with ministry , and instead, you play with ministry the LORD says he will come on a day that you do not expect Him.

You've been entrusted as a singer, a pastor ,a sanctuary keeper whatever ministry has been entrusted to you, there is an expectation that GOD has a for you.

Question:

Thus how many of you are bearing good fruit?

This is not referring to the last day, this is talking about you right here on earth

From Luke 13:20-30 we clearly see that before one is cast into the lake of fire they have a glimpse of Heaven.

That's why you need to be very careful: those who are first will be last therefore you must work hard. Praise the LORD!

When the LORD comes will he find fruits based on your walk?

Hedging Ministry Gifts & Quest for Fruitfulness requires the following

1. Discipline
2. Loyalty
3. Sacrifice
4. humility

1) Humility

You find that instead of us who have been entrusted with ministry being Disciplined, showing Loyalty , Sacrifice and Humility :

We find that amongst us are those that that's sabotage the work of the LORD.

Our lives are not yielding fruit.

Why?

Because we are concerning ourselves with other things instead of taking care of the sheep.

- ✓ So you find that your life has no fruit your ministry has no fruit.
- ✓ And you and who thinks that you're in front , you will find yourself behind and eventually you will find yourself in Hell.

The Bible says that people will have a glimpse of Abraham, Isaac and Jacob before being thrown into the lake of fire.

If within your life you did not have any fruits then you will not make it to Heaven

There are times in your life based on your age in which you will bear much fruit. There are times within your life that you will not be able to bear much fruit because your energy will be less.

Therefore there's a section within your life when it comes to a ministry GOD gives you a peek whereby you will birth a lot of fruit.

- ✓ therefore you have some prime time of your years to birth much fruit.
- ✓ When this time passes you by, you may not really catch up.

How many of us within ministry have fruits?

Regarding discipline- when you lack discipline as a pastor or Ministry we are taught discipline through the Holy Spirit .

I am teaching you through the leading of the Holy Spirit, He is here with me.

- ✓ There is a discipline that you must embrace.
- ✓ We find that there are many people who do not birth fruit.

And that is why every pastor, you are given a ministry, you are given souls, remember even a cow within one year brings forth a calf therefore how many years have you had ministry?

Question :What have you birthed? That is a question I have for you.

When I go back home sometimes I kneel down by the bed and I'm heartbroken even after preaching and I say" O GOD what if I really hope I'll make Heaven after all these preaching LORD is there any way I've gone wrong?"

"Did I say everything that you wanted me to say LORD? Is there something that I left out?"

Sometimes I'm not really sure if I did well while preaching but in the past I used to be shown.

Nowadays I'm not sure. It's because you might get too familiar with GOD so some things you will not be shown.

In the past I would get a scorecard you did 80% you did 90% or you did 100% and slowly that was just there to motivate me but nowadays I don't get that at all ,so I just hope that I've done what GOD wanted. I fear so much so not to be in right standing of him that called me.

Now look at many pastors that we have here where are your fruits?

We had a pastor here my namesake, we entrusted him with 30 people unfortunately he scattered all of them. At that point there was no longer a man fellowship.

There was yet another man we entrusted him and he had a fellowship of 50 men that's a lot of work and this same brother scattered everyone so he had he had to be chased out of here.

Such people will be judged by the almighty GOD because they could not maintain and keep ministry.

Ministry for women we have those that have been entrusted in women ministries instead what they do is to scatter.

And they say these women are devils, these women are difficult, these women are full of devils and they scattered all of them.

You pastor here what are you doing with what you are entrusted with?

Praise the LORD!

Where are your fruits?

For me it's to teach you but you must think about the day when you will be dead when you'll be raptured think about it.

This may cause you to worry prompting you to work overtime in the things of GOD.

- ✓ If you're 40 years old you may not be very lucky that means 30 years of your remaining life divide that by two that leaves you with 15 years only.
- ✓ In those 15 years think about it, you want to sleep.
- ✓ you want take care of your family.
- ✓ you want to do your businesses too and it's just one body.
- ✓ you work 8 hours and at night you sleep.
- ✓ that means seven years and half of that means you only have three years and a half
- ✓ that means you don't have time!

Therefore you find those that are not birthing fruits are sabotaging the work of Jesus Christ

You just want a name to be called a pastor

You want to be a big man- that is a big man syndrome with many pastors that I have seen.

- ✓ That kind of thinking is this" why don't you give us the front seats'
- ✓ " don't you know that we are pastors?"
- ✓ This has made being a pastor as a high position yet being a pastor is actually a responsibility(jukumu).

So you find that people rather than expend their energies to look and do the will of the Father regarding the sheep, all they want is a name for themselves.

Why? Because they lack humility.

They want special attention and that has spoiled ministry.

Even in this ministry in the quarters the pastors want special treatment.

There are women pastors, they'll tell you "don't you know we are pastors?"

Why don't you give Jesus the best? You will waste a lot of time and energies trying to see how you'll be comfortable because you're a minister or a pastor or prophet.

I want it to be known that I'm a prophet, I tell you the truth, that is nothing but pride you do not have humility.

- ✓ Such things find us and you are wasting a lot of time .
- ✓ instead of you focusing on Jesus and your assignments that have been given to you.
- ✓ you're focusing on how to better yourself you have missed it!
- ✓ You will not birth any fruits!

I have been training pastors and even as we speak right now I am yet to be satisfied by the work of the pastors in this ministry.

Not yet ! You have not made the qualifications. I will say the truth I am your father. But we call ourselves pastors .

Sometimes I have some work that needs to be done by the help of a pastor, but I just do it by myself and I wonder who these people are , O LORD can I get people here?

- ✓ I was crying yesterday in the bathroom.
- ✓ I am not confident that you can do it.
- ✓ There are things that I want to entrust in you but I I'm not confident.

Where are the fruits?

In the church, you find that some of our pastors are actually fighting with the prophets. Your quarrelling with the prophet says you are competing for attention and some prophetesses also they want attention they want to be known.

- ✓ They want to be seen they want to be seen that I am the prophetess
- ✓ These battles are there because you lack humility.

Question : What is the result of all this? **You have bad fruits.**

There are no people in church

- ✓ You're not searching for the sheep
- ✓ You have no time to search for them
- ✓ Your mind is warped

Jesus says, "**there is a day I will come knocking, will I find fruit? "**

How many of you prophets because you think you are gifted you look down upon the pastors?

You know indeed that not all the pastors have the giftings that you have.

Do you know that gifts can stay in you for 10 years without manifesting?

Do you know that there was a young lady here that I had prayed for to get different giftings and one day she just asked me "how come Apostle I've never heard you speaking in tongues yet you prayed for me and I speak with tongues?"

- ✓ I went before GOD for a while and I fasted for 40 days to get the gift but I did not get it.
- ✓ The next time I fasted for 54 days and completing the fasting there was no nothing.
- ✓ One week later I found myself speaking things and I said O finally GOD has given me a new gift and I was even singing in tongues until this day.

Praise the LORD!

You can find that you have giftings that the pastor does not have

So as a pastor you may sometimes feel intimidated and it brings friction because you as a pastor you feel like the prophetess can expose me.

- ✓ so you become a bit afraid you are insecure.
- ✓ When the prophet finds that you really don't have anything in terms of giftings they will end up controlling you.
- ✓ At that point both you the pastor and the prophet have lost and you have missed the road there are no fruits!

Not all pastors know how to sing.

So you are at the mercies of the one who can sing. Therefore the one who can sing might end up being prideful.

- ✓ The pastor you can be threatened and at the same time you can be manipulated meantime in the church there are no fruits.
- ✓ That is where for you as a prophet that has a gifting there is need for humility.
- ✓ You as the pastor you need to be humble you don't have to do anything to prove that you are a pastor.
- ✓ Let it just come out by itself you don't need to prove anything.
- ✓ Please pay the price

We have a problem here in this church, many prophetesses want attention.

Attention is not fruits!

When you do your ministry please GOD in your works. Remember I as the Apostle will be asked to show my fruits.

- ✓ You too have to give an account of your fruits.
- ✓ Therefore there is hedging and that is what we are doing right now on how you can hedge your ministry.
- ✓ You will know how to contend and to fight for your ministry.
- ✓ So that you can bathe many fruits.
- ✓ Without hedging you will be robbed!

We have some prophets here who have been given the gifting of being able to prophecy and they want to control the pastor.

We have prophets here who have the gifting of prophecy and they want to prophecy and try to interpret the vision that they've been given –

- ✓ that is pride why don't you let me as the Apostle interpret for you.
- ✓ all you need to do is to give what you've been shown in the vision or the prophecy.

I will not be in a rush to ordain any pastor that doesn't have any fruit.

Every time we want to ordain a pastor someone falls.

Many prophets like to manipulate others only a few are accountable.

- ✓ right now only few are here not all prophets are here now.
- ✓ If I was a weak pastor these prophets would have been controlling me and there will be no church here right now.
- ✓ Some they can manipulate you such that you go to their house so as to hear "what GOD said."
- ✓ you can find a prophetess that can manipulate you such that you go and sleep in their house.

Many pastors have found themselves in the trap of prophetesses .

They found out that apart from being a prophetess this is also a woman we are talking about.

I have counseled a lot of people and I've seen a lot. I might not have a big head but this head has got a lot of information . Sometimes I wish I has a bigger head.

The gift of prophecy is one of the gifts that Satan uses to corrupt churches.

You began well as a prophetess of GOD and slowly you drift and lose the way.

Example a prophetess can tell you that "GOD told me that you need to leave that woman, i am actually supposed to be your wife".

We literally have pastors that left their wives and got married to prophetesses.

2) Discipline.

Luke 12:37

³⁷ Blessed are those servants, whom the LORD when he cometh shall find watching: verily I say unto you, that he shall gird himself, and make them to sit down to meat, and will come forth and serve them.

The LORD should find you serving.

The LORD will come on a day that you know not and remember, this means the day that you die -because no one knows the day in which they will die.

The reality of why we must tell about Heaven and Hell is so that you do not preach to people about Heaven and hell and yet yourself you are not acting as one who wants to go to Heaven.

Read: Luke 6:40-49

The Cost of a Disciple.

Many ministers like to judge others. They have a form of hypocrisy and lack discipline.

- ✓ If you are a bad tree you will not produce good fruits.
- ✓ If you are a good tree you will not produce but fruits.

Someone Hallelujah Someone Hallelujah

A prophet that has no teachings, no leading ,no boundaries- the LORD says regarding your fruits.

The LORD is talking about the prophets who look at the mistakes of the pastors and yet they don't even see their own mistakes.

- ✓ A prophet can come and say the LORD has shown me the LORD has shown me I've been shown by the LORD.

Question :How is it that this same LORD has not shown you about yourself?

- ✓ You know the prophets in this ministry are truly feared because they literally can see in the spirit.
- ✓ But why is it they can see, but they don't look at their own mistakes?
- ✓ The prophets can disrupt (kuvuruga) the pastors
- ✓ and they even cause disruptions in the ministry as a whole,
- ✓ and as such, some people leave the church because of these prophets.

A lot of prophets in this ministry have fallen !

If there is sin that has made them fall, it is the sin of:

1. Sexual immorality
2. The love of money
3. Pride
4. Gossip

The love of money has made the enemy get a foothold in the lives of many prophets and thus they get corrupted. They refused discipline.

Many have fallen because they do not want discipline.

- ✓ You'll find that the prophets can judge others with their eyes but they cannot judge themselves so the Bible calls such hypocrites!
- ✓ We once had a prophetess here who was chasing people out of the sanctuary because of their manner of dressing
 - I asked her how about you?
 - why have you dressed this way?

Are you listening to me prophets?

We are in class I'm not attacking you. You were given eyes to see:

- ✓ very good but you also must look at yourself
- ✓ and see yourself because a good tree bears good fruits.
- ✓ A bad tree will bear bad fruit.

Why don't you examine the results of your ministry this applies also to the pastors.

Most of the pastors in this ministry have become weak.

Question :Why is this so? **Because the prophets are ruling over them.**

They are so fearful of the prophets.

- ✓ When the pastors were to be graduating they were found with many mistakes and from then, the pastors are very fearful of the prophets.
- ✓ But even now prophets ,why don't you look at yourself after you've done ministry ?
- ✓ what are the results and outcome of your ministry?
 - Did it build the church or did it destroy the church?
 - Did you scatter the sheep or did you gather the sheep?
 - Did you have the sheep amend their ways or
 - Did they run away after your ministrations?

At the end of everything, in the ministry of the prophet what has it done?

We may be very judgmental as prophets.

- ✓ We can judge because we can see things of the secret but at the end of it can you weigh yourself?
- ✓ There are ways in which some prophets are sabotaging the work of the Most High GOD and that is where we come to the place of discipline.

Do you have discipline?

You as the prophet can you examine yourself ?

Are your fruits destroying the church?

To all the prophets may you know that I never ride on what you give me because I too have to hear from GOD to confirm that what you're giving me truly comes from him.

- ✓ Lest I get myself to be controlled by prophets here,
- ✓ But thank GOD here we have a witness for every prophecy that is given.

You can find that pride carries the prophet such that they go berserk and they can control others.

Therefore there is a discipline that we as prophets must have.

Read **2 Timothy chapter 2**

We have had issues whereby the prophets don't even greet each other right in this altar.

- ✓ They sing but they will not greet each other
- ✓ and then you can imagine how can they partake of the Holy Communion
- ✓ and that's where you find them getting sick.
- ✓ They end up having no money why?
- ✓ because they have despised the body of Jesus Christ.

There is a hedging (teaching) that you receive and this is what helps build a wall so that the enemy cannot penetrate.

A lot of prophets that do not have knowledge, opened many doors and that's what Satan uses to destroy many churches.

For a long time we have suffered delay as a charge because because prophets opened doors for the enemy to penetrate and it's because I just don't have enough time but I will be able to have a session with you when we get to Maseno.

I would rather be left with a few prophets , maybe 12 ;

- ✓ That are reliable instead of 100 that are lost.
- ✓ People even end up receiving visions that are not clear.

Question: Who told you that these visions are for us to believe in?

I try to counsel prophets and some feel as though they're being attacked.

There are people who have run away from this church because of the prophecies that are given.

Reason : Spiritual mistakes.

- ✓ You as a prophet when you give a wrong prophecy
- ✓ if you give her wrong dream later on remember that Satan goes to the courts of Heaven.
- ✓ When he finds and receives a permit because of your mistake you will pass through a wilderness.
- ✓ You have seen prophets that go through wilderness here.
- ✓ Even you as a pastor when you go against the principles of GOD you shall go through a wilderness.

When you go through wilderness remember you delay us as a church the church cannot move because of your spiritual mistakes.

Mouth discipline -You lack discipline of the mouth and you just speak any kind of way.

Colossians 4:6

⁶Let your speech be always with grace, seasoned with salt, that ye may know how ye ought to answer every man.

Philippians 1:27

27 Only let your conversation be as it becometh the gospel of Christ: that whether I come and see you, or else be absent, I may hear of your affairs, that ye stand fast in one spirit, with one mind striving together for the faith of the gospel;

There is a discipline that we require :When you don't have that discipline it becomes very difficult to care for your giftings.

If you are so judgmental, you are so negative, then it will be just like magic if you see a good dream concerning somebody.

- ✓ You hate someone
- ✓ You are negative about someone .
- ✓ Obviously there's no way you'll have positive prophecy or visions concerning that person.
- ✓ The Bible says guard your heart.
- ✓ Look at the results of your prophecy
- ✓ Weigh yourself three months down the line, one month down the line ,one year down the line .
- ✓ It has to reach to a place whereby you come to the realization that you made a mistake.

Discipline in tithing.

A lot of prophets don't have the discipline of tithing therefore they lack a hedging. This has caused them to have many open doors for them to receive attacks from the Kingdom of darkness. Slowly the enemy penetrates and starts defiling your dreams.

I have cared for my prophetic gifting and know that I carry many gifts. Do not desire to have many gifts.

It's better to have one gift that you can manage because managing many gifts demands a lot of price.

Walking with all these gifts sometimes it's nothing but tears for me.

I carry these gifts by the grace of GOD. I manifest in all these giftings of the fivefold Ministry. Each of the gifts requires a sacrifice –which includes :

- ✓ Fasting
- ✓ Reading the Bible
- ✓ Sanctification
- ✓ Holiness
- ✓ Sacrifices
- ✓ Tithes
- ✓ Offertories

All these require discipline and demands sacrifice.

I had to get to a point when I had to be harsh on the prophets because of their manner of dressing- it was not appropriate.

If it were not for me being strict this Altar:

- ✓ There would have been so much sexual perversion and uncleanness.
- ✓ There would have been a lot of defilement but I've had to be very strict.
- ✓ That is why sometimes you see the church does not get full because people think I'm preaching about them.

Discipline is required in several areas

- ✓ Food
- ✓ Money's
- ✓ Dressing
- ✓ Friends that you have

3) Loyalty.

1Corinthians 4:15

¹⁵ For though ye have ten thousand instructors in Christ, yet have ye not many fathers: for in Christ Jesus I have begotten you through the gospel.

- a) Whom do you answer to?
- b) Who is your mentor?
- c) Who is your father?

If you see a pastor and a prophet that does not pay tithes , you will notice that they lack loyalty.

The tithes that we gave are a test of our loyalty.

Question:

How many of us pay tithes faithfully?

How many of us have a standard of their givings?

It does not matter how much you earn. The test is the same 10%.

It is not that GOD lacks money the Heavens will never run out of resources.

I have told the prophets do not borrow money .Do not take money from a church member .

Hebrews 13:17

¹⁷ Obey them that have the rule over you, and submit yourselves: for they watch for your souls, as they that must give account, that they may do it with joy, and not with grief: for that is unprofitable for you.

Galatians 6:6-7

6 Let him that is taught in the word communicate unto him that teacheth in all good things.

7 Be not deceived; GOD is not mocked: for whatsoever a man soweth, that shall he also reap.

You as a pastor, you really need to be wise on balancing the people that have been assigned to you so that you don't end up clashing with them-

- ✓ Otherwise the church will not grow.
- ✓ When you don't pay tithe you don't enjoy spiritual covering.

4) **Sacrifice**

For you to manifest as a servant of the Most High GOD there is a price that you must have to pay.

Romans 12:1

1 I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service.

Romans 12:1 Demands that we present our bodies a living sacrifice.

- ✓ You must live a life of sacrifice
- ✓ You have to sacrifice yourself to do the work of GOD.

There are years in which I used to clean the church all by myself . I sacrificed myself.

- ✓ I was the cleaner
- ✓ sanctuary keeper
- ✓ receptionist
- ✓ usher
- ✓ the pastor .

Among the previous sanctuary keepers that we had complaints were raised and GOD had to remove them and appoint new sanctuary keepers

Why were they removed ? Because they were complaining.

Do we have ushers here?

I have sacrificed:

- ✓ my money
- ✓ the things in my house
- ✓ my clothes
- ✓ my time
- ✓ I've sacrificed everything
- ✓ even nowadays I've sacrificed my own wife.

There are times I'm so tired I get on the bed with my shoes on. Now pastor, do you understand the meaning of sacrifice?

Ministry is harder than business.

- ✓ Ministry is not work
- ✓ Ministry is a calling
- ✓ Ministry requires the grace of GOD.
- ✓ If you will walk by the grace of GOD then cooperate with the terms and conditions of the living GOD otherwise you'll become barren.

If you don't abide by the terms and conditions of the living GOD you will not bring forth fruit.

When you don't walk right with the living GOD, He cuts the blessings from your life and you will struggle in life.

Having invested in you all these years then you just leave , just like that.

What has made many people here to fall is because you do not have any vows.

- ✓ You as a minister worker you don't have a vow.
- ✓ Some of you come to church and you come with the fire to quench others fire out.
- ✓ You came and found them as devils , please note that they were devils before you .
- ✓ If Jesus did not change them, then you have to humble yourself too because if you don't watch yourself ,you too will become a devil like them.
- ✓ I have communicated something.

Praise the LORD.
