

## REVELATION WISDOM MINISTRIES INTERNATIONAL

### 2024:Dominating with MANIFESTATIONS IN HIGHER REALMS

#### Series: RAISING THE BANNER

#### Day 1 of MOUNTAIN OF GOD CONVOCATION 10<sup>th</sup> EDITION

#### Part 2: UNDOING SPELLS of CURSES, WITCHCRAFT & SPIRITUAL BREACHES IMPEDING EFFICACY of SPIRITUAL GIFTS & MINISTRY.

**Preacher: Apst-Prophet of GOD Onyango M'Ochieng**

Date: Oct 9<sup>th</sup> 2024

#### 1 Corinthians 12:1

<sup>1</sup>Now concerning spiritual gifts, brethren, I would not have you ignorant.

The gifts of GOD will be of use for those that respect GOD:

- ✓ For those people that respect themselves
- ✓ For those people who respect others.

The righteousness within yourself and around you will matter if at all you will be of use and if you will use the giftings of the Holy Spirit in the right way.

#### **A lot of us are saboteurs of the work of Jesus:**

People don't sacrifice and give themselves to the work of Jesus.

They don't mean it, they don't care, for them the callings of the spirit and the giftings are nothing.

- ✓ And that's why you find that they value their jobs
- ✓ And that's why you find that they value their own earthly things more than their callings and the giftings of the holy spirit.
- ✓ What I have seen here, is that someone can just be so upset and say I'm so upset I'm not going to sing.
- ✓ They have no knowledge.

#### **There are people that have visions and prophecies that are mixed.**

Personally we don't condemn them we give them time. Some of the prophecies we had, we gave them a test of one year:

By now many of them failed so we know them by their fruits it's called the fruit of the spirit and that is patience it takes.

## **A gift of the Holy Spirit is intended to build the Church of Jesus Christ**

- ✓ If your gifting, calling and Ministry has made this Church to come to a standstill just know that you will not enter Heaven.
- ✓ That is why it is better for you as a prophet ,you understand if you give a prophecy find out this prophecy that I gave, was it really from GOD? Or is this just my own thoughts?

### **Jeremiah 28:8-11**

<sup>8</sup> The prophets that have been before me and before thee of old prophesied both against many countries, and against great kingdoms, of war, and of evil, and of pestilence.

<sup>9</sup> The prophet which prophesieth of peace, when the word of the prophet shall come to pass, then shall the prophet be known, that the LORD hath truly sent him.

<sup>10</sup> Then Hananiah the prophet took the yoke from off the prophet Jeremiah's neck, and brake it.

It's a warning and the judgment for false prophets & prophetess when they give prophecies from their own head.

**Prophecy can manifest through dreams, visions and revelations therefore if you are one that is against GOD and you give false prophecies you will die like Hananiah**

### **Jeremiah 28:12-17**

<sup>12</sup> Then the word of the LORD came unto Jeremiah the prophet, after that Hananiah the prophet had broken the yoke from off the neck of the prophet Jeremiah, saying,

<sup>13</sup> Go and tell Hananiah, saying, Thus saith the LORD; Thou hast broken the yokes of wood; but thou shalt make for them yokes of iron.

<sup>14</sup> For thus saith the LORD of hosts, the God of Israel; I have put a yoke of iron upon the neck of all these nations, that they may serve Nebuchadnezzar king of Babylon; and they shall serve him: and I have given him the beasts of the field also.

<sup>15</sup> Then said the prophet Jeremiah unto Hananiah the prophet, Hear now, Hananiah; The LORD hath not sent thee; but thou makest this people to trust in a lie.

<sup>16</sup> Therefore thus saith the LORD; Behold, I will cast thee from off the face of the earth: this year thou shalt die, because thou hast taught rebellion against the LORD.

<sup>17</sup> So Hananiah the prophet died the same year in the seventh month.

## Read

Jeremiah 23 and Ezekiel 13

**When a prophecy is a lie the worst thing is that, the prophecy opens a door to demonic spirits to frustrate people and trouble people.**

The people have believed in a lie. That is why a prophet must be under tutelage, receive teachings and be mentored.

- ✓ Those that don't want to be taught there's no where we're going with you..
- ✓ If you have any visions concerning someone please let me see it first before it is delivered to the recipient.
- ✓ At least I become a witness and I can weigh the vision to see if it has GOD or if it has the devil.
  - Does this vision build or does this destroy?
  - Does this build, correct or does this vision condemn?

**But some of us in our ignorance, you see that they send their vision directly to someone**

Example somebody can send a prophecy to someone and tell them I had a vision that your husband is going to leave you tomorrow and the FATHER GOD has said if you don't prepare yourself your husband will leave you! I saw that in the spirit!

So the person who receives this message will be in great shock and will believe that "indeed Baba Sammy is going to leave me"... so such a woman mentally prepares herself for the marriage to come to an end.

Satan looks and says "So we have foolish people here who believe such lies so therefore let us use this lie to destroy the marriage!"

To avoid it that is why we have to weigh the prophecies and to weigh the dreams Hallelujah.

**Some people are foolish they share their visions directly to someone .**

You can cause damage! The worst part of it is that if it is a lying vision and a lying dream Satan likes such!

- ✓ This becomes a legal ground that the enemy will use and this destroys destinies of many people.
- ✓ You the prophet there is a fire that is going to consume you!
- ✓ You the pastor there is a fire that is going to consume you!
- ✓ You intercessor there is a fire that is going to consume you and to destroy you !
- ✓ You with a gifting and with a calling there's a part that you'll be burnt in a different way.

"O, I'm scared of giving a prophecy "that is a thought of one of the prophetesses for example.

Remember the fearful shall have their place in the lake of fire.

- ✓ You sat on the vision and said I was not so sure so I just decided to stay with the vision until the Holy Spirit tells the Apostle ,
- ✓ You will die alone because that prophecy was not revealed to me it was revealed to you.

**A righteous man is as bold as a lion because within you there's a way in which you have weighed yourself and you know that this indeed is of GOD.**

Hallelujah! A lot of people came here, they had been prophesied to falsely and when they come here they should find something different.

- ✓ That is the good thing about a prophet that is righteous
- ✓ That is the good thing about an intercessor that has righteousness
- ✓ That is the good thing about a minister who has righteousness and the fear of GOD within them

Those of us who give out prophecies that are not straightforward:

- ✓ they are upside down
- ✓ they are not truthful
- ✓ they have holes

**Trust me, those who give out prophecies that are not straightforward:**

1. You are quenching the fire of the Holy Spirit.
2. Satan finds within you an Altar to do his wickedness therefore you impede the work of GOD.

Maybe GOD would have used your giftings, but because of how you are, the Holy Spirit does not find room within you.

- ✓ because you are not really stable you are lazy, so the best the Holy Spirit can try is for you to manifest at a 10% level and 90% now leads you to judgment.

"We prophesied we remove demons ",but Jesus will ask you "what about the 90%?" He says

1. you withheld the power!
2. you withheld manifestation!
3. you have potential to be used by GOD, so high and so far but you denied it
4. you are fearful !

You said"

1. I'm not learned
2. I don't know English
3. I don't know Swahili
4. I haven't gone to Bible school
5. so let me just manifest 5%

**There is a part that Church would have reached but you are mark timing let me tell you your judgment is waiting.**

You find that when you're withholding 95% the potential for you to manifest, the church has not truly benefited from you!

Why? because you denied them.

Those of us in marriages when a man withholds himself from loving their wife and the wife withholds herself from loving her husband -judgment is waiting for you the Bible says love your neighbors as you love yourself and you woman who has not given yourself fully to your husband and you still want to manifest your giftings here?

**How do you do you want GOD to trust you when you don't give your whole heart to your spouse? If:**

1. Your revelations cannot be trusted
2. Your visions cannot be trusted
3. At home your heart is not fully given to GOD.

Just know that the journey to Heaven is going to be quite hard. That is why we have bad intercessors, bad prophets, and bad pastors.

**Do you know that as a church we would have been so far but what we suffer as a ministry is persons who withhold their potential.**

So someone will say I'm not going to sing until the Holy Spirit picks me out- the only person who ever truly bothered me and said I really want to sing was Asaph.

Some people are financiers of the gospel and they say I have to wait until the Holy Spirit tells me to help the ministry.

There are people among us who are teachers they can teach the Sunday school but you withhold your potential ,that makes the ministry not reach where we ought to be right now.

Then when GOD rejects them, you find that when they leave the ministry, they'll go to another ministry and they will be singing , teaching . They're singing there while they are in judgment .

**Do you know you can still serve out there , yet GOD has rejected you**

We call such things sabotage in the House of GOD.

We have some of you prophets while I'm teaching you are sleeping and at the same time while I teach you've gone into a vision and by the time you return the teaching is over.

So some of these things are traps by the enemy. I've observed during the years some of the people that would sleep during the service then go into a vision examining their visions they were suspect. Know that the Holy Spirit is very orderly

### **1 Corinthians 14:40**

<sup>40</sup> Let all things be done decently and in order.

The scripture above gives us an aspect of order and excellence. The things of the Spirit have order and excellence.

**If the prophets will not be taught, to ensure that there are boundaries, then they have a capability of destroying a church.**

If people who are gifted will not be tutored or assisted through teachings then they can cause a lot disturbance in ministry.

They can result into competition, rivalry and they will start praying negative prayers against each other rather than attack the devil they attack their fellow brethren.

- ✓ Remember they prayed negative prayers against you;
- ✓ and if their prayers manifest that means you who was prayed against had holes within your life and that's why the enemy found a foothold within you.
- ✓ Satan loves negative prayers

**Pastors who feel threatened by prophets you question yourself:**

**"Why is it that the prophets are the ones who seem to have a talent (kipawa) and we don't have?"**

I ask you :

Why don't you ask GOD that question?

Why don't you ask the one that gives out talents Instead of harassing the prophetess?

**We also have a competition between the prophetesses and the pastors**

- ✓ The pastors want to control the prophetesses and the prophetess want to dominate ,to sit upon the pastors!
- ✓ I tell you we have that battle right here!
- ✓ Rather than build a Kingdom the ministry comes to a standstill.
- ✓ The ministry does not birth more people.
- ✓ The Church stops moving forward because there's a battle.

## **When such a thing happens, a pastor can be tempted to pray negatively against the prophetesses and to ask that they be blinded**

Remember Satan loves such negative prayers and he says “well I have found an open door, therefore that church is going nowhere.”

He finds a way to penetrate in the church as long as there is jealousy and where the pastor is micromanaging people.

Example instead of the pastor taking care of the sheep, the pastor will keep asking the prophets or the prophetesses what vision of me did you see?

- ✓ When you as a pastor go on that route, the church will not go far.
- ✓ I'm telling you pastors become a child in the hand of GOD .
- ✓ I'm telling you pastors treat the prophetesses that were assigned to you very well.

You can know when they are right and when they are not right. GOD can enable you to know you shall know them by their fruits. Give it time.

## **Pastors we are waiting to see what you will be birthing in your different regions.**

We came and we lit the fire within your churches we are coming to add firewood to see what you will birth. There will be no excuse.

- ✓ you as a minister don't chase the sheep away.
- ✓ A good shepherd is an intercessor
- ✓ Your leadership matters and mine is to teach you.

Praise the LORD praise the LORD.

## **When it comes to dreams and visions if there is a ministry that has got so many attacks it is the prophetic ministry.**

Here we have ministers that have giftings of the Holy Spirit .

- ✓ It is the easiest to manipulate
- ✓ It is the easiest to mix.

If you as a prophet has got so many holes within your life:

- ✓ You eat the food that is not required of you
- ✓ You are dressed in clothes that you're not supposed to wear
- ✓ You watch programs that you do not need to watch
- ✓ You walk with people that you don't need to walk with
- ✓ You listen to things that you ought not to listen to.
- ✓ You refused to pay your tithes and offerings
- ✓ You become so selfish when it comes to the works of GOD and the things of GOD
- ✓ You saying that your prayers are the sacrifices that you offer

- ✓ You refuse to fast and instead you say "let the Apostle fast by himself "
- ✓ you prophesess all the time you don't even bother to fast and pray

**I tell you the truth you'll be the best opportunity for Satan to penetrate and corrupt your dreams and visions.**

Recently I asked "if you know that you are an intercessor that is trustworthy come here "I looked around and waited . Where are the trustworthy ones?

And I wondered o my goodness how far we have reached the church you mean we don't have anyone who is fasting?

Only few people were able to come here at the front. They don't pay the price for their gifts.

So you'll find many openings within people's lives are easily manipulatable so Satan when he throws witchcraft at such it will be easy to be caught because of the openings in their lives.

**I as a pastor must lead by example therefore I have to set a banner so others can follow in my footsteps. Therefore remember I am not blowing any trumpet.**

If I do not fast and read my Bible if I don't tag along with the word then those giftings are quenched they are no longer active. Sometimes I feel very heavy yet when you look at me I'm very lightweight not even 90 kilograms but sometimes when I step down I feel so weighty.

It's because of the gifts that I feel the weightiness .

If you don't use your giftings there is a danger. Every gift that you have been entrusted with demands a price.

How many of you who are gifted will fast within a week and not just fasting because you're not eating but fasting with study within the Bible? And also prayers.

**When you are fasting what are your prayer items?**

Are you praying for the sound man ,are you praying for the singers ?

If all you're praying for is your mother, your brother ,your sister and family you are selfish!

So what i decided to do is that for every gift that the Heavenly Father had given me I decided to fast and pray for each of them.

So while I was fasting I could pray for the church and people, for gifts and matters as led by the Holy Spirit.

Gifts require good soil that would hold them together example look at your gift like a plant.

If you just plant a tree and leave it alone unattended do you know that the rain will wash it away?

**Witchcraft has permeated among those that are gifted.**

It has permeated because so many of the gifted have holes.

- ✓ They are sleeping .
- ✓ They hate each other.
- ✓ They are jealous of each other
- ✓ They compete.

**When you as a gifted person have hate for others, you have jealousy against others , you produce a bad aroma!**

When I walk amongst you, the LORD tells me you see this one, this one is mine .

We have angels here who will assign your marks depending on how you listen to the teachings today.

Therefore let it not be found that you only received 30% because while I was preaching you are sleeping.

- ✓ That means a wilderness will be waiting for you.
- ✓ I know these things because the same mistakes that you do are the same mistakes that I too did in the past.
- ✓ But I was never sleeping in any preachings that is something I've never done no!

**Therefore when we make mistakes and have not looked like Jesus, that's when Satan throws his witchcraft.**

When you've been bewitched by these false prophets if you are in right standing with GOD such a curse should not even touch you!

You should just laugh at the curse and tell it to fall down together with whoever sent it!

Why?

Because **Isaiah 54:17** affords us that privilege hallelujah! And you shall condemn every time that castigates you.

**A lot of intercessors you don't command much power because you have a lot of spiritual mistakes.**

After this there is a form of repentance that you must make. Then you'll realize that that is why 90% of your dreams are of GOD and 10% are hard to understand.

- ✓ Sometimes you realize that 70 % is of GOD and 30 % are from my own imagination

When you have a dream or vision take a Bible :

- ✓ weigh yourself before you ask the Apostle to help you.
- ✓ weigh it from the scales of the Bible does this really build or does it destroy?

### **You know you can actually give a vision that terrifies the whole church**

Example you can give such a terrifying vision and you relate it to that church that “I saw here at church Al-Shabaab appearing and I was told it is it's coming to happen very soon and the vision ended just like that”

#### **Question for you:**

Have you left the church built up after such a terrifying vision?

Do you know there are people who will actually have to leave the church before that vision comes to pass?

Let me ask you a question is there a Bible that you used to weigh yourself out?

Chances are that by the time you have such a vision:

- ✓ there is a movie you watched or
- ✓ some news that you watched
- ✓ or there could be some prophet or some visions that you've watched.

### **Everything that the devil has must find a ground called sin. Without sin Satan is powerless!**

Without sin Satan cannot prosper his gifts.

The secret for someone who has a gift to avoid being captured and snared and bewitched by Satan is to ensure that your life is free from sin.

And if at all you fall into sin make sure you repent as soon as possible .Let the sun not set without you having repented.

### **How many of you still have a grudge for one week ,one month ,you still have people whom you have not released for seven months ,you still haven't forgiven people thus far?**

If you walk with an unrepentant heart, a heart that is not forgiving, when Satan throws his darts of witchcraft they will definitely get you.

Any prophet that gets into quarrels with your own pastor know that you will not be able to advance in your gift.

Equally any pastor that quarrels with his or her prophet or prophetess and you try to muzzle them your church will not grow.

The church will not grow because you're busy stepping on each other. The holes/ openings that people have in them is what causes them to be cursed.

So we are going to remove all this right now even tomorrow we shall pray to remove all these curses.

### **Curses are thrown in such this ministry because we are exposing the false prophets.**

Therefore, Satan investigates and tries to figure out what weapon he can use to curse the church so that we do not go far.

I have told you that the children of Israel were cursed but the curse did not work against them.

### **Why?**

1. There was no legality
2. There was no foothold
3. There was no sin found in them for the enemy to use so as to put a curse on them.

### **Numbers 23:23**

<sup>23</sup> Surely there is no enchantment against Jacob, neither is there any divination against Israel: according to this time it shall be said of Jacob and of Israel, What hath God wrought!

The voice of the king was in their midst meaning that the presence of GOD was with them.

The presence of GOD will only be with you because you've done away with sin.

As long as you have the presence of GOD in your life the chances of a curse catching you is very difficult.

### **They can curse you and gather together as 1000 false prophets.**

- ✓ The curses will not catch you! Hallelujah !!
- ✓ All the Baal prophets tried to curse Elijah and it did not work yet he was only one prophet versus 1000 false prophets.

When I reach Heaven I will look for Elijah and get will give him a high 5!

Even me may GOD help me so we can kill many false prophets that's why I've announced this three months of raising a banner.

- ✓ We shall finish them because they tried to curse me
- ✓ They tried to curse this Altar.
- ✓ In the same way Elijah slaughtered them, I am also asking GOD to send forth his judgment upon Kenya.

- ✓ I am permitting that GOD come down with your sword and slaughter them ! slaughter them O LORD!
- ✓ Some of the swords of the angels have never slaughtered people they will slaughter here in Kenya!

When my journey is done here on earth and I'm in Heaven I will be walking looking for Elijah & Abraham .

I will finding out where they live and we shall tell each other stories of what was happening here on earth.

I will tell Elijah when you left I took over and I slaughtered many but I did not slaughter with your style.

**First I want you to understand in order for these curses to be removed do not repeat mistakes.**

See how many of the prophetesses have fallen down. They were not supposed to fall in the 1st place.

Some pastors here have fallen and they were not supposed to have fallen.

Why?

They fell because within them were found some holes that Satan used to trap them and ensnared them.

- ✓ for example those that like money he ensnared them with money.

**A person having received money that was supposed to have gone to the Apostle now has opened up the door:**

The enemy raised the case in the courts of Heaven against this person .

This person is told to confess their sins but they do not do it.

He that covers his sins shall not prosper: but whosoever confesses and forsakes them shall have mercy.

- ✓ some are trapped through gossip!
- ✓ When the witchcraft of Satan captures you, your defense system is down.
- ✓ Witchcraft is meant to manipulate, corrupt, frustrate and disappoint the pursuit of your vision plus manifestation.

**Satan decides not to kill you, instead he defiles you , if you see anyone sleeping know that the witchcraft done against them is working.**

When you find yourself sabotaging your fellow church members ,prophetesses , intercessors, pastors -check yourself out you could have fallen to the spell of a curse of the devil.

When you find yourself having paid tithe and anytime you get money your money just goes :

- ✓ it's not that GOD has refused to bless you, it's because you have holes of curses.
- ✓ I have no veto power to make you stop paying your tithe and yet you're born again no! I can't tell you that you're so poor please don't tithe.
- ✓ If you can't explain how you earn your money I will reject your giving

**Do you know we have some prophets, pastors, media people who don't pay their tithes.**

The best they can do is to pay 50% of their tithes.

- ✓ when witchcraft is thrown do you think it's going to get you or not?
- ✓ Satanic witchcraft looks for nothing but the legal ground for sin.

**When you are gifted you need to start weighing yourself out .**

- ✓ There are sins of presumption there are sins of assumption.
- ✓ There are sins of omission or commission

You have been saved on the Commission

example of sin of omission -When gifted person goes to sleep without praying.

**We are raising up a banner. If you don't have anything go ahead and make a pledge.**

Praise the LORD

Scriptures:

## **1 Corinthians 12**

If you understand diversities of gifts you will not be fighting or competing with anyone within ministry.

**Gifts can be diverse. What are you manifesting?**

Who are you benefiting with your gift?

If you get to understand that whatever giftings we've been gifted with, they are to profit all people that GOD brings to us.

- ✓ Once you understand that, then you will be building the church.
- ✓ There are prophets who have brought losses to the church
- ✓ There are pastors who have removed people from church
- ✓ There are people who have broken other people's hearts within the church, that's why those of you who are gifted and you're taking money from others it's a bad thing.

**The fact that somebody does not see what you see and is not in the exact same line as you, doesn't mean they are in opposition to you.**

We are all different parts of the body- For the way GOD has put us is because that's what GOD wanted.

- ✓ There are people who are the nose
- ✓ There are people who are the ear
- ✓ There are people who are the eyes
- ✓ There are people who are of the tongue

Hallelujah! Praise the LORD! That means let us all benefit each other, let us respect each other, let us value each other.

**How are you a Christian for one year and you are not manifesting?**

You are not birthing.

Your prophecies and your giftings what are they birthing?

If you don't birth, then you are a victim -you are bewitched.

Do you have some manifestations that deny you necessary points? **That means there is a spell involved.**

We have prayers to repent for we have to raise a Banner.

**Ending in prayers**

**1 Corinthians 12:26    Ephesians 4**

**There are many ways in which you have been envious and jealous of others because of their giftings.**

- ✓ I pray that LORD Jehovah you help me. Father I agree that I have sabotaged the Church and my foolishness has led for me to be mentioned as one with sin.
- ✓ Thank you Jesus for exposing me. There are things about my life that I did not know.
- ✓ I would have done exploits and been used by you but Father as I look at myself, It seems that there are ways that I've put limitations within my life.
- ✓ My foolishness, my mistakes and my pride have led for me to be bewitched in ways by Satan.

- ✓ Father, please forgive me for my evil work, for my spiritual mistakes. I have jealousy, lots of lies ,so many holes that the enemy is using and this is what is acting as a legal ground for the enemy .
- ✓ Please forgive me my LORD. I confess all my evil and unrighteous ways before you please forgive me.
- ✓ I have been jealous of others because of their giftings, their talents and their ministries.
- ✓ I've been jealous of others because of how they are being used. I ask you Father to please forgive me because of this jealousy that is within me my Father.
- ✓ LORD please forgive me because I have been so hard in forgetting and doing as you want me to do, Father forgive me.
- ✓ My Father would have used me but I've not been used by you as it ought to because I've been a useless person. Father forgive me ,forgive me LORD.
- ✓ Father, I have not been truthful as I ought to be. I have been tricky, I've been a hypocrite, I've covered myself so much ,but Father my sins are before you. Please forgive me oh LORD.
- ✓ I have been stepping on others ,I've been jealous of others, I have thought about others, I have looked at others in a negative manner and I've prayed even negative prayers. I've talked in a negative way against them O LORD. I have done actions that would have even harmed them. Forgive me O LORD in the name of Jesus please forgive me.
- ✓ LORD my GOD I have failed to birth children.
- ✓ I am a pastor, I have been jealous of the prophetesses and the prophets.
  - I have tried to control them
  - I have tried to manage them.
  - I've tried in ways in which I attacked them O LORD please forgive me.

**Some of you here have prayed that the prophetesses do not expose you so that your sins do not be exposed**

1. You have prayed that the prophetess be made blind

2. You have prayed that they don't get to see
3. You have prayed that GOD doesn't use them
4. You have prayed in a negative manner and Satan has heard such prayers it is not GOD.
5. It's not GOD that made them blind in the spirit but Satan found an opening, a legal ground ,a foothold within the prophets themselves.

**Within the prophets themselves there are ways in which Satan was able to penetrate because even you the prophetesses are not in right standing with GOD.**

1. You have open doors and you are made blind so all of us have to repent
2. And you only receive negative dreams about others is it that your GOD is a GOD who only hates and only sees bad ?
3. Are your visions the only ones that only see evil about others?
4. Weigh yourself, examine yourself- there are ways in which you must have to repent.
5. Tell the LORD that you're weighing yourself in the scales
  - I have weaknesses when I when I look at myself
  - I have weaknesses yes Father, it's true Jehovah that I have some weaknesses.
6. Repent! Repent! Repent in the name of Jesus !
7. Some of us pastors are very hypocritical !
8. That we appear just to be right for pastor but we don't respect other people !
9. In your eyes other people are useless. Repent Repent Repent!
10. You want to look good in front of the Apostle.

**You want to look good in front of the Apostle because you need something**

- ✓ It is just because of convenience but the moment you cross over to where you should be ,where you desire to be, you say “ we can just do without you!”
- ✓ Repent ! Your respect and fear must be to GOD then unto men. Our respect unto GOD defines our respect to men

**Our vertical relationship with GOD determines our horizontal relationship with others.**

If our vertical relationship with GOD is right then our horizontal relationship with men shall as well be right in the name of Jesus.

We are praying for our relationship in families & marriages in the name of Jesus. Repent in the name of Jesus.

**Tell the Father**

- ✓ I am a thief
- ✓ I don't tithe
- ✓ I don't give anything for the church

- ✓ we are just out to be parasitic taking advantage of others

### **Repent! Repent! tell Jesus :**

May I be of use. I am tired of being a loss in your Altar Father. I repent in the name of Jesus

### **Has the LORD used me to expose you?**

Accept that you're exposed that may mean that you have to make your ways right.

- ✓ Those of you that have holes of unforgiveness,
- ✓ you have not repented yet Satan is using that as an open door in which he penetrates with his evil spirits and arrows so as to attack the church.

Repent! repent in the name of Jesus!

### **The curses of witchcraft are penetrating. Why? because you still have open doors of sin in your life.**

Forgive! Forgive ! Forgive others stop carrying people.

Even if you have many giftings that should not be an issue.

If you don't have a gifting or ministry then just stay like that until Jesus himself gives you a gifting.

If you do not have it maybe in the plan of GOD that you should not have it. Do not be jealous of those that are gifted.

### **You who's gifting has destroyed rather than build please repent!**

Your gifting chased somebody out of Church

Your ministry became a stumbling block to others

Your ministry broke people's hearts yet it was not in the will of GOD.( If it was in the will of GOD then have peace about it.)

### **Hypocrisy, pretentiousness, deceit that people have on this Altar is something that you must repent of**

You become hypocritical when you see the wife of the Apostle.

You become deceitful when you see the Apostle

Repent! repent !repent in the name of Jesus.

### **Do not raise the banner if there are things within your life that are putting boundaries and limitations to make Satan to be in opposition to you.**

People who cheat and say bad words against the prophetesses

Prophets whose tongues are not true- their messages are not of GOD they generate from themselves.

**If a message is coming from GOD you as a prophet you will feel**

1. like your stomach is boiling
2. the head pains
3. you feel as though there is fire in your ears
4. you feel as though there's fire in your eyes
5. you feel as though there is fire on your hair
6. you feel as though there is fire on your back
7. that is a line of prophecy in which you are getting an accurate message from Heaven from GOD himself.

Anything else outside of that is suspicious suspect yourself.

**You as a prophetesses if you end up doing damage you feel yourself being pushed to do things such that even when you look at it personally you'll realize that it was not of GOD- it is destructive.**

Ask yourself was it GOD that send you to do the destruction?

Repent for indeed you have other ways within you repent!

- ✓ You who falsely accuses others!
- ✓ You who gossips!
- ✓ You are given to judge negatively!
- ✓ You speak it in a manner that must destroy our hearts!!

Repent! repent !repent!

**The journey to Heaven you might be left behind you can be disqualified**

You prophet who knows that:

- ✓ your dreams have holes
- ✓ your visions have holes

Stop sharing your visions, stop being so fast to share your visions to people

- ✓ it's best you weigh yourself through your shepherd so he can know your weaknesses and see how you can be helped.

Don't be sharing visions amongst yourselves.

**Scriptures:**

**Colossians 2:6-7 Ephesian 4**

We have had sessions of being grounded

**Question** :how come after you've been grounded :

1. You are still birthing- limes & lemons
2. you are birthing pain!

Repent ! your repentance will help you so that GOD can have mercy upon you.

**Prayer :LORD my GOD I have failed to birth children.**

Cry unto GOD because some of you have made the Church not to move forward as we ought to.

Some of you have been stepping on others so they have not been able to reach where they ought.

Some of you you've been witches in the Church of Jesus Christ.

- ✓ You are a blind witch
- ✓ You are a blind devil agent
- ✓ Some of you are blind sorcerers
- ✓ You are a blind spellcaster !
- ✓ You didn't realize that your actions were being led by the devil.

**Question :**

**Have your actions helped to raise up someone or make someone fall?**

**Did your actions build someone or destroy them?**

Repent! Repent! Repent!

It will be a mistake that I will also be shocked if the way that you have that GOD pushes you forward yet you still have sin within you.

That you are a saboteur of the Church of Jesus Christ that you're the one who destroys the gifted and the gifts, that GOD pushes you forward? I will be surprised .

Repent! Repent! Repent! ask the Father to forgive you.

Ask the LORD to check your heart and repent in the name of Jesus.

**There are people whom we gave the ministry of being Fathers they have crushed the ministry in this Altar.**

When they're given 10 people to help, they scatter all of them.

These are people whose mouths are full of arrows of scattering they're like porcupines!

We have had men, deacons in church here we give them 50 men they scattered the men. Eventually GOD removed them.

**We have women who are entrusted with other women to lead them**

You became one that chews them and spits them. Rather than the number of souls that you were given to you to increase:

- ✓ they decrease in your hands and
- ✓ eventually they are diminished it is not good.

**You have been given people ,instead of them increasing they're becoming less and less that's why as a pastor you must be concerned!**

Be concerned you have been given a responsibility-

**Question:**

Are you increasing people or are you decreasing them?

Are you increasing the flock or are you diminishing them?

That's why you prophesess -your dreams are nothing but negativity

Satan is using you to destroy, to scatter and to demonize people.

Repent in the name of Jesus!

What is it that the devil left with you? what did it say? what door is the devil using?

Repent !repent ! repent in the name of Jesus. Wash yourself right now.

**Prayer:**

LORD Jesus I regret that my ministry is sinking in my hands, gifts are dying in my hands, my ministry is stagnant, my gifts are stagnant. I repent

**There are those when others are working hard in their ministries you go ahead and step on them.**

There are those who frustrate worship ministers :

- ✓ they frustrate our worship minister
- ✓ they frustrate our intercessory minister
- ✓ they frustrate our prophetess minister
- ✓ they frustrate our pastoral ministry
- ✓ there are people who are being frustrated they find their work to be so hard because there are people out there that are making their work so hard.

You who is making the ministry of others to be so difficult repent! Repent! Repent!

**Tell Father**

Prayer : Help me so I don't be counted as a subculture, let me not be one that puts holes within the ministry.

You who is gifted you are not exploiting your potential to the optimum GOD shall judge you on the part of the talents that you're not using the Church would have gone far.

And you say I'm not paid or that I'm not paid to work extra. You are wicked you're wicked!

Every talent and every gift that GOD gave you He expects that you bear fruit with it. He expects that you have advanced with it and that you benefit others with it.

### **Use your giftings and talents to benefit the church.**

You must bear fruit- that is the expectation of GOD .

- ✓ you are evangelist are you sleeping in your job?
- ✓ people get saved here not a single evangelist runs with a pen to put down their names not even a single one.
- ✓ Yet the people have heavy burdens
- ✓ Yet there are no intercessors to pray for them
- ✓ You are an intercessor -we have people in the hospital yet you have not taken an action to go and see the sick person
- ✓ they are waiting to be told.

### **Manipulators you know how to control others with your money**

We were never called to control others. The mistakes that we have made have allowed the curses and witchcraft of Jezebel.

Because they take advantage of our ignorance and weakness to cast spells and command witchcraft.

Repent! Repent! Repent! Repent!

### **Some of us are very disrespectful repent!**

Pastors should set the best example in time keeping ,in your dressing, in your prayers .In your commitments pastors must set the example but you find yourself wanting .

Repent and confess it before GOD.

**Intercessors** If you have love, you shall have burdens to pray .
